REQUEST FOR EXPRESSION OF INTEREST (EOI) – SUPPLY AND EMBROIDERY OF ADVOCACY BRANDED T-SHIRTS

REF: EAN/EOI/TSHIRTS/2026/01

Education Advocacy Network is pleased to invite interested individuals and companies to submit an Expression of Interest for the embroidery of three hundred fifty T-shirts as part of our upcoming advocacy campaign, which will serve as a uniform for our advocates and a powerful visual statement for our cause.

The scope of work requires the successful applicant to supply high-quality, unisex, crew-neck T-shirts, preferably made of one hundred percent cotton or a cotton-polyester blend in a specified color to be shared with shortlisted candidates, with digital or computerized embroidery of the EDANET logo and campaign slogan placed on the left chest and the back center of each shirt, using colorfast and durable threads to ensure precision, legibility, and a defect-free finish, all to be delivered within approximately fourteen working days from the date of order confirmation.

The package must include a company or individual profile outlining relevant experience in garment branding and supply, a technical description of the embroidery process including the type of thread and machinery to be used, a portfolio with images or proof of previous embroidery work, a detailed financial quotation breaking down the cost per T-shirt, the cost per embroidery job, and the total cost inclusive of all logistics and taxes, a proposed delivery schedule.

EAN will evaluate all submissions based on relevant experience, quality of the proposed approach and sample work, cost competitiveness, and delivery capacity.

Only shortlisted candidates will be contacted for a detailed technical and financial proposal, while any form of canvassing will lead to automatic disqualification.

Applicants must submit a comprehensive Expression of Interest package in a single PDF file via email to info@edanet.org.ug with the subject line "EOI – Advocacy T-Shirt Embroidery" no later than Tuesday, 21st July 2026, at 5:00 PM East African Time.
